

Day 4 journal entry

Firuz Azimov

Prompt option 1: *What is a topic that you found interesting this week? How do you plan to seek additional information and learn more about that topic?*

I found it fascinating seeing the work of AI generating a game under 5 minutes which would've taken the average person an hour or longer. It's amazing how companies are using and embracing such a tool rather than viewing it negatively. It's a wonderful tool full of potentials and would love to explore the ways I could use this tool for my benefit from someone more experienced.
